6. Affiliated sites

We offer some of our services in connection with other web sites. Personal information that you provide to those sites may be sent to AgahanView in order to deliver the service. 11. Information security

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These include internal reviews of our data collection, storage and processing practices and security

measures, as well as physical security measures to guard against unauthorized access to systems where we store personal data.

We restrict access to personal information to AgahanView employees, contractors and agents who need to know that information in order to operate, develop or improve our services. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.

12. Data integrity

AgahanView processes personal information only for the purposes for which it was collected and in accordance with this Policy or any applicable service-specific privacy notice. We review our data collection, storage and processing practices to ensure that we only collect, store and process the personal information needed to provide or improve our services.
